## Handbook of Feed Additives 2017

The 2017 edition of the definitive guide to the use of additives in animal feeds and drinking water was published in July. Much enlarged (25% bigger than the 2016 version), the latest edition includes 171 products of which 36 are new to the book this year. Updates have been made to 40 established medicinal additives, coccidiostats, enzymes, microbiological products, acidifiers, antioxidants, mould inhibitors, pigmenters and other feed additives compared with last year's publication.

The 2017 edition is available for immediate dispatch. Order now and receive your copy by return.

The price for single copies is £90 including UK delivery (£95 in Europe, £102 outside Europe). If you require more than one copy to be delivered to the same address, significant discounts are available as set out in the table below.
